cola is growing. The person is blind, indeed, who cannot see a population here of seventy-five thousand ten years hence. Each year's increase in popmeans dividends if you collect rents; profits if you buy and sell Pensacola property. An investment in Pensacola realty is one that will not be affected by financial "panics."

Come to headquarters if you are looking for a good investment.

We have listed with us two practically new cottages that are renting for \$300.00 a year, both in good locations, with large lots, houses have five rooms each, with city water. This property can be purchased for \$2350.00, which will net you thirteen per cent a year. This is a bargain. We have a number of desirable homes for sale, which we will be glad to show you. Why pay rent when you can just as well be paying on a home of your own?

We have for sale at a sacrifice to the right party, a large sash, door and blind factory and planing mill, situated at Bagdad and Pensacola. Write us for prices. We can interest you.
